Manager's Notes...

Lots of odd decisions by both the FA Women's National League and the Somerset Football Association, which will no doubt be mentioned in the Secretary's Notes.

The net result of these bizarre decisions is that unusually our postponed County Cup Semi Final against Portishead has been strangely moved to next Sunday, the 3rd of March. Instead, we play Bournemouth today in a League fixture. Bournemouth are technically neck and neck with Exeter City at the top of the table, each side having dropped only two points all season with a single draw when they played each other recently. One of these will no doubt be very disappointed not to be promoted at the end of the season.

Although both have only dropped 2 points all season, Exeter have played four games more and history tells me that it is always better to have the points rather than the games in hand. Both teams have relatively easy run ins with the duo meeting at Exeter in the final game of the season on the 5th May. A draw again would suit Exeter as they have a superior goal difference, at least that is the current position.

We had another cancelled game last Wednesday, when our away game at Swindon was declared postponed due to a waterlogged pitch at Melksham Town. That game has now been re-arranged for Thursday 21st March at the same location. So we have a pretty full programme now until the end of the season.

At the bottom of the table, there is also a close tussle between Torquay and Southampton with the former on seven points and the latter on just five, but with three games in hand. Time will tell who leaves the competition along with bottom club Selsey. It was sad to read that Torquay's men's team has just gone into administration. I hope that will not affect the women's team as it often does.

So, next week our attention will turn to the County Cup Semi Final, where the decision to move the tie back a week has probably done us a favour as two key players will be available who are not in our squad today.

I look forward to seeing everyone at that game next Sunday with the normal 2pm kick off.

B. Newk

Secretary's Views...

Today we welcome AFC Bournemouth to the AJN. Like us our opponents weren't expecting we would be playing each other today as normally when a County Cup game is postponed, as ours was last week, due to flooding on one corner of the pitch, it gets played the following week. We both have a free Sunday in April and rather thought we would be playing then.

In their wisdom, however, the Fixtures Secretary decided it would be easier to postpone the fixture away to Abingdon on 3rd March. (I'm not sure exactly how she worked that one out.) Anyway she wrote to the Somerset FA asking if our County Cup game against Portishead could be played on that date instead of today. Somerset agreed although usually they insist County Cup takes precedence. I don't suppose our saying we didn't want to change had anything to do with their decision.

Pitches everywhere are waterlogged after all the rain over the past few weeks. The ground is saturated and surface water cannot get away hence the far bottom corner of the pitch having standing water last week. Hopefully no horrendous overnight rain so it will be okay for today's game. If you want to stay on, Keynsham Town Boys are playing here afterwards as their grass pitch next door is unplayable.

Football Quiz

1. Who has scored the most goals for England?
2. Where do England play their home games?
3. Who was the first player to score five goals in a Champions League game?
4. Which composer's work inspired the UEFA Champions League anthem - Beethoven, Bach, Handel, or Mozart?
5. What is the name of the Nottingham Forest mascot - Little John, The Sheriff, or Robin Hood?

...Answers Later in the Programme

Interesting Fact

Rogério Ceni scored 131 goals as a goalkeeper!

That is more than some forwards manage in their entire careers. The Brazilian goalkeeper was the designated penalty and free-kick taker for Sao Paulo.

His best goalscoring year came in 2005 where he scored 21 goals across all competitions which is absolutely ridiculous. Ceni made 17 appearances for Brazil but never managed to score on the international stage.

The women's game in the...

CHANNEL ISLANDS - JERSEY

Women of all abilities, from players just starting out in the game to those who have proudly represented the island, are welcomed with open arms by the three Jersey clubs with female adult (16+) sides.

Jersey Wanderers, Rozel Rovers and St Peter all have teams competing in the Jersey Women's Division, the Zenith Cup, Women's Jersey FA Plate and the Women's Jersey FA (Colin Welsh) Cup.

Matches are usually on a Sunday morning, with the clubs also holding one or two training sessions each week. Whether it's just for fun, or if you take your football seriously, the local teams are all keen to hear from new players.

The Jersey FA also has a Women's Representative Team which enters competitions such as the Island Games and competes in the annual Women's Muratti fixture against Guernsey. The annual Women's Muratti match against Guernsey was reinstated to the schedule in 2020.

TEAM ACHIEVEMENTS

Jersey FA Women

Island Games: Winners 2015, Bronze 2001, 2003, 2017

Inter-Island Games: Bronze 2019

Women's Muratti: Winners 2002, 2003, 2004, 2005, 2006, 2007, 2009, 2010, 2011, 2012, 2013, 2014, 2015, 2016

Nedbank Private Wealth is the proud sponsor of the Jersey FA women's representative side.

The 2023-24 Jersey Development programme is a weekly programme consisting of training sessions and fixtures (on and off island) for three age groups – U12, U14 and U16s. This programme supports players to develop individually and as a team. This is done by having a shared vision and pathway that is followed by all players and coaches. Within this we have some core values that you can read below.

Our aim of the programme is to work in partnership with local clubs to give girls with identified talent and potential the opportunity to develop their skill set further and progress within the female game. Our pathway aims to support players into local club women's football (16+), the Jersey FA Senior Women's Team and further if they choose to continue their progression off island.

3. If you weren't playing football what other sport do you think you would play and would you be as good at this sport?

Get dragged out of bed by my dad 5 minutes before I have to leave!

6. Given the choice which football stadium would you like to play at and why?

Yes because I'm known for my really good eyesight!

14. Are you a meat, fish or pasta person?

My favourite two dishes are lasagna and spaghetti carbonara so I'll let you figure that one out!

15. When you win the Lottery what 2 items would be top of your "Want's List"?

A PC so I can finally play Baldur's Gate 3 and I guess a car might be nice seeing I crashed mine...

16. What ambitions do you have?

Aside from football I love science and I'm currently studying neuroscience. Who knows maybe I'll get a PhD just to make the girls refer to me as Dr. Xan!

Review on Paprika from player Justine Lorton:

After being introduced to Tan (the manager) I promised him we'd go to Paprika for our quarterly curry club meet up (with 4 ex-KTLFC players).

It was really busy when we arrived, which is always a good sign. Tan and the staff were very welcoming and friendly throughout the meal. The food was perfect and what really stuck out was the presentation, it was gourmet level and very reasonably priced. It was so nice in-fact, that I took the leftovers home and ate it the next day! I would highly recommend Paprika for an amazing dining experience and will definitely go again.

New kits...

Today's new playing kit carries a 30 Year badge at the top of the back of the shirts. The club was originally founded as a 6-a-side team playing indoor football in 1993.

The players came mostly from Chandag Junior School in Keynsham and were all under 11 years at the time. Only one, Linette Zerk remains playing today as an emergency goalkeeper when required, although the club is in contact with most of these 'Original' players.
