- Special thanks goes to Leo Kearley who has been visiting from Australia. Hopefully both coaches and players will have learned from the valuable experience.
- It has been mentioned that the Ladies team haven't had a social for several week, so girls yours thoughts and suggestions please....

KEYNSHAM TOWN LADIES 8 : TEAM BATH 0

Despite a poor start Keynsham produced a convincing win in the 1st leg of the Somerset County Cup at the Crown Field. In fact, so confident of a win, Keynsham almost started with just 10 players until it was realised midfielder Gemma Langley had got locked in the changing rooms! Once the game got underway it was a scrappy first half with Keynsham failing to find the form of previous weeks. However the home side still looked the most threatening and Hajrija Sabic opened the scoring with a simple tap

in after krystle German's shot had rebounded off the cross bar. Hajrija scored her second just before the break to put Keynsham 2:0 up with a quick turn and finish into the bottom right hand corner. A rejuvenated Keynsham Town came out in the second half, quick to upset any Bath hopes of a comeback, and they did so in style. Hajrija completed her hat trick converting a Stacey Sowden cross, who went on to add the sides fourth. Midfielder Langley rounded the goalkeeper to make it five before Alana Willson was bought down in the

penalty area clear on goal. The striker was soon on her feet to convert the penalty with a well placed shot low in the right hand corner. Keynsham were now by far the superior team passing the ball confidently and always looking dangerous on the attack, that it was no surprise when Sowden grabbed another two goals to complete her hat trick. On a day when the defence was barely tested Keynsham were unlucky to lose left back Lucy Adams to a knee injury late on in the second half.

KEYNSHAM RESERVES GO TOP

KEYNSHAM TOWN 2 : SWINDON TOWN 1

This was a great performance by Keynsham Town Reserves who never gave up despite falling behind to a late goal. In a hard battled game it was the home side who always looked most threatening squandering several goal scoring chances.

However it was Swindon who took the lead when they forced in a shot which had rebounded off the crossbar. The game was turned on the head though when with 5 minutes to go Alex Kearley converted a penalty to put them level. Keynsham took the lead just before the whistle in a close finish when youngster Kayleigh Sage scored to sent Keynsham to the summit.

Keynsham Town Ladies Football Club 2003/04

Forthcoming Fixtures

Keynsham Town Girls

Keynsham Town Under 14's strolled to a comfortable 7: 2 win on the weekend against Trowbridge Girls. Goal scorers for Keynsham were Adella Clark, 2, Charlotte Plumb, 3, Rosie Lindley, 1 and Millicent Rendall, 1. Manager, Jim Edgar said of the game "I was extremely pleased with the way the team performed today, and the great approach they took into the match,"

The club is well known in the area for producing skillful and successful girl footballers, and offer the opportunity for professional coaching for youngsters from the age 6 and upwards. Training takes place at the Crown Field on Saturday mornings from 10:30am to 12:00pm and anyone is welcome to come along whatever the ability.

The Under 14's are just one of the many successful girls teams at Keynsham. With over 60 youngsters on their books there are teams at under 10, 12 and 14 level playing a variety of indoor and outdoor matches.
