MANAGER'S NOTES

Today is our first home fixture of 2025 as all the preceding games have been away and we are still in a busy schedule with most matches away. We have played more games at home than away and we will be evening out this in the next few weeks.

We welcome the players, staff and supporters from Bournemouth and trust they have had a safe journey up from the South Coast. Bournemouth are undefeated so far this season and everyone's favourites for promotion. They will be formidable opposition today. We understand that their monthly wage bill is many times what we can spend throughout our season on just running the whole club.

For this game, we are missing three of our squad members, Scarlett Mills (broken wrist), Immi Stocker (injured in training) and Emma Norris who has a recurrence of the problem from some time ago. This means that there are further opportunities for Development team players, like Megan Bible and Jenna Bakehouse, in line with our player development strategy.

One player that supporters will not have seen before is our new goalkeeper, Ella Stowell, who has joined us as a dual signing thanks to our friends at Bristol City. This all started when I was phoned up around Christmas Eve by our then goalkeeper, Klaudia. She told me that a football agent had contacted her via social media and asked if she would like to play in Europe. She told them 'Yes, but not until I finish this season in May.' Fair enough, but the 'football agent' swiftly came back and said that he had a club in Greece that wanted to sign Klaudia in order to help them get promotion to the Greek Super League and that if she was not in Greece by the 5th January, they would lose interest. The player made it clear that she was going to Greece and going to leave us somewhat in the lurch. Just what every manager wants for Christmas!

Since then, we heard from the 'football agent' in a rather strange message and it transpires that he is an insurance broker, not a football agent. We asked for correspondence from the Greek club secretary. Nothing has materialised, nor has there been any attempt to get international clearance. We have discovered that this is an amateur club that play in division 4C of the Greek pyramid. The player is 24 and has given up a perfectly good job with the NHS. There was no way I could stop her falling for this, except to advise she took enough money to get a return ticket home if it all went pear shaped. From what Sven Kierk tells me Greek football is something to avoid. Not sure if Klaudia is playing under her real name or not, but the team has lost their last 2 recent games, so any promotion looks unlikely in the future.

Anyway, in our search for a replacement we were fortunate that Liam Jaques, our goalkeeper coach knew the coach at BCFC. They wished Ella to go out and get some extra match experience. We are very lucky to have her sign for the rest of the season. Some may recall that her mother Rachel. Played here for Keynsham a while back.

Last week, we took up an offer from Oxford Utd for a friendly. Good preparation for today's game.

In the County Cup, we had a fairly comfortable win 2-0 at Regional League Ilminster Town. A nice Somerset town and I was shocked to see the pictures of the flooding there the following week. Right where we drove.

In the Semi Final, we are drawn home to Yeovil Town on March 16th.

SECRETARY'S VIEWS

Welcome back to the AJN Stadium for our first home game of the year and welcome to our visitors AFC Bournemouth. We trust they were able to park their big bus in our car park - well they did ask.

I am pleased to say we met the Safe to Operate deadline for the League. This meant a lot of admin work so my Christmas tree did not go up until two days before Christmas and my Christmas cake didn't get made until Christmas Eve! On the plus side It saved me icing the cake and as I left it for a month to mature we are enjoying it now - the silver lining.

We now have to make sure we continue to meet the Save to Operate regulations at all times as meeting all of them is conditional on us remaining in the League. We also have the rest of the Minimum Standards to meet by April so, although the major stress (and believe me it was) of meeting the STO prior to 31st January has passed, we aren't done yet.

One of the Minimum Standards is to have a Board Safeguarding Officer and I am pleased to say we have managed to recruit (in accordance with our Minimum Standards recruitment policy) a very suitably qualified and experienced person. This puts another tick in the box.

I went to Ilminster for the County Cup game last week where a young U10 lass who goes to Yeovil Academy noticed we had a very good goalkeeper warming up. I recommended she grab Ella's autograph as one day she could be the England goalkeeper. See for yourselves today.

AFC Bournemouth Women

AFC Bournemouth Women were founded in 1992 as Bournemouth. They won the 2003–04 Southern Region Division One and then achieved a league and cup double for the 2005–06 season, winning the Southern Region Premier Division, and beating Slough Town 3–1 in the final of the Southern Region League Cup.

The club reached the final of the 2007–08 South West Combination League Cup, but were beaten 4–1 by Plymouth Argyle at Huish Park. However they were forced to withdraw from the league due to financial problems, and lack of managerial staff. The club ultimately folded in March 2009.

Bournemouth had reformed by 2012, playing in the Hampshire County Football League. The club achieved successive promotions, winning the 2014–15 Hampshire County Division Three, and the 2015–16 Hampshire County Division Two.

Manager Steve Davies left the club in 2019, with Bournemouth appointing Steve Cuss as manager ahead of the 2019–20 season. The club successfully applied for promotion to the FA Women's National League Division One South West for the 2021–22 season. Bournemouth made their competitive debut at Dean Court on 10 April 2022, in a 4–1 win against Chesham United.

Bournemouth have gone agonisingly close to promotion in each of the last two seasons, finishing as runners-up behind Cardiff City and Exeter City, but look well set to go one better this time around having won all of their opening ten matches. Last week they reached a national Final for the first time when they beat Manchester United Academy 3-2 in the semi finals of the League Plate, and they will face Cheltenham Town in the Final.

INTERESTING FACT...

The last time both European Cup/Champions League finalists had no foreign players in their starting XIs was in 1967.

Despite overseas players being a modern phenomenon that we associate with the 1990s onwards, you have to go back to the 1967 clash between Celtic and Inter Milan to find no foreigners in the starting XI of the two European Cup finalists.

The entire Celtic side was born within a 30-mile radius of Glasgow. Surely, that will never ever happen again for any club?

MATCH REPORTS

Keynsham rise to T3 challenge

The K's travelled across to Oxford for a friendly, in preparation for a big game the weekend after.

The game starts with Oxford on the front foot. The team is immediately pushed back to defend some strong attacking plays. New goalkeeper Ella called straight into action claiming a cross. Good hands from the young keeper in wet conditions.

Lily R makes a good interception from an Oxford through ball - but pressure is quickly applied and Oxford win a corner. Their corner is played short with Keynsham stuck in the box. Using the wind to their advantage- the opposition slot the ball nicely into the top corner. 1-0 Oxford.

Oxford look dangerous again - winning a free kick on the edge of the box. Keynsham's defending is scrappy but they get the job done and the ball is cleared. Keynsham look to break with Bea leading the charge. She finds Brooke on the wing who looks to be clean through - but the Lino calls for offside.

Keynsham look rattled and drop too deep. Oxford drag the defence apart with some one-touch play leaving a player through on the edge of the box. She smashes the ball passed Ella who had no chance. 2-0 Oxford.

Emma, struggling with a knee injury, comes off for Lucy. Ella takes revenge with a brilliant one-v-one save keeping Keynsham in the game!!

Youngster Megan looks solid in defence with some great challenges- making the Devs team proud!! Oxford win another corner but blocks from Nellie and Lily W keep Oxford at bay.

Keynsham win a free kick but the wind prevents it from going passed the defence. Oxford react quicker sending a player through for another one-on-one with Ella. Oxford get another with a calm finish in the corner. 3-0 Oxford.

Oxford get sent through again but Nellie forces them wide with some brilliant tracking back. Oxford win a corner - which was brilliantly blocked by Meg. Ciera sends a cracking ball wide to Hannah but the wind doesn't want to help us out. Oxford win a goal kick.

Keynsham finding a bit more rhythm with Ciera, Bea and Brooke linking up well. But the Oxford goalkeeper is yet to be tested. Oxford fire another shot at goal which goes narrowly wide- Ella had it covered.

Worldy save from Ella from a long range shot!!!

Meg wins another interception from Oxford but can't quite find Lily W. Oxford come again with a ball out wide. It's crossed in but Ella displays excellent handling to grasp a hold of it.

Better play from Keynsham starting with a goal kick. Meg to Lily R to Lily W to Bea, who switched play to Ciera. But once again the wind gets the better of us and Oxford are safe again. The team battle hard to see the game out.

HT Keynsham 0 Oxford 3.

The second half starts more positive- after a good team talk in the changing room. Scarlett, Vicky, Immy and Sophie replace Bea, Barts, Brooke and Hannah for some fresh legs.

Oxford try some attempts at Ella but fail to strike gold. Down the other end, Vicky, Scarlett, Immy and Sophie are all thrown into action. They keep the ball well in the final third but Oxford stay tight and they can't find a way through. Oxford eventually break and try Ella at her near post - who gets down brilliantly to deny.

MATCH REPORTS

Bea comes back on for Lily R who comes off with cramp. Oxford break again and square the ball across goal to a free player. Ella comes storming out and makes the save! Oxford win the corner but Ella claims again!

Ciera has an attempt on goal from far out which smashes just wide. Keynsham remain strong but Oxford aren't giving up more chances of goals. Ella makes yet another one-on-one save to deny them.

A final chance from Oxford - which sees Ella flick the ball onto the bar - sees the game out.

A positive second half from Keynsham. Despite this the score remaining 3-0 Oxford. We go again against Bournemouth next week 🙌

Devs sunk by two spot kicks!

Keynsham welcomed Moneyfields to the AJN Stadium this week, for a blustery fixture where thankfully the rain and wind didn't ruin the spectacle on show.

There was a frantic start to the game where we suddenly realised the VEO wasn't UP!! Chloe makes two good early saves - before Nicky's free kick from distance hit the underside of the bar and Jessie A followed up to head home! (1-0) hæ 🚫

With VEO now up and working - Jessie's superb pass found Maddie - who forced the keeper into a good save. Keynsham were having a lot of success - particularly down the right - Nicky's shot from distance awkwardly bounces in front of the keeper but the rebound just evades Jenna & Erin.

Jessie with another superb pass sees Maddie round the keeper out wide, but she can't wrap her foot around and her cross finds the side netting.

Keynsham are causing Moneyfields all kinds of problems - Nicky superb pass sees Maddie fire in a wicked cross which Erin steers home, but offside is given!

Moneyfields are also looking dangerous on the break and Chloe makes another great save to keep her team's lead intact.

Zoe's driving run forward is found and her pass sees Jenna finish again - but she had just strayed offside.

Having had 2 goals disallowed for offside - Keynsham are also thankful to Chloe at the other end with a BIG save!! - 1v1 - spreading herself well to repel the shot with her foot.

Ella and Maddie combine again - and Jenna almost connects with Maddie's superb cross.

Keynsham have been a tad unfortunate to not extend their lead - but on 25 mins they finally do, as a MONEYFIELDS defender slices Maddie's wicked corner into her own net! (2-0) hæ 🚫

Keynsham find themselves down to 10, as Zoe needs treatment. Chloe with a couple of great saves from dangerous crosses - MF miss one on the back post putting it wide. 🙌 🚫

Keynsham are back to 11 - and back on the attack - as Jenna fires narrowly over. Their defence was compact and resilient whilst down to 10.

KEYNSHAM TOWN LADIES 10

MF pull one back from a freekick (which she seems to kick twice ♂♂) after Nicky is adjudged to have harshly handled. (2-1)

Maddie finds Jenna racing thru on the angle but she runs out of pitch. Jenna and Maddie combo sees Maddies slick thru pass to Nicky - who just can't get enough purchase on her shot.

HT: KEYNSHAM TOWN LADIES DEVS 2 vs MONEYFIELDS RES 1

Second half starts with both teams trying to raise the tempo. Jenna makes a great pinch on the edge of the box and steers an effort on target.

Moneyfields are seeing a lot of the ball now, but KEYNSHAM's defence of Ella, Mandy, Tilly & Liv have been superb frustrating MF and limiting any real chances.

Maddie's free kick sees Liv challenge the keeper and the ball goes narrowly wide for a corner!

Maddie with an audacious attempt from 35 yards out wide after a poor goalkeeper clearance - sees the ball just drift wide with the goalie scrambling back.

Keynsham are looking for that killer 3rd goal!

Moneyfields are continuing to have a lot of possession - but are struggling to break the Keynsham lines.

A couple of great passes forward by Jessie and Nicky - just overrun.

57 - Angel & Jess for Erin & Zoe

60 mins - PENALTY Moneyfields, after a Mandy challenge. Some thought it might have been, some thought it harsh, VEO will decide!

2-2 - Chloe went the right way but too much power.

Moneyfields have raised their level 2nd half and Keynsham are having to dig deep. A few dangerous attacks are broken up by Nicky, Jessie & Angel.

Disaster for Keynsham as Moneyfields are given another PENALTY - the same two players are involved and Mandy gets a yellow card this time.

Lainey B for Ella G.

73 mins - Lily T for Liv B

Keynsham are trying to force their way back into this. Jess B great interception sees Jenna run the length of the pitch and force a corner.

Angel wins a freekick - Nicky's strike is decent but sadly the keeper is well positioned to save.

81mins - Milly H & Zoe HG & Mandy H & Nicky H

Great interchange - involving several players sees Maddie's cross go wide.

Keynsham are still giving this a go - but it's just breaking down in the final third. Angel drives forward and shoots, but the keeper is able to claim. With the game getting more stretched, Milly, Tilly and Lainey do well to snuff out a Moneyfields counter.

The remaining minutes pass without great incident and MONEYFIELDS hold on for the 3 points.

Review on Paprika from player Justine Lorton:

After being introduced to Tan (the manager) I promised him we'd go to Paprika for our quarterly curry club meet up (with 4 ex-KTLFC players).

It was really busy when we arrived, which is always a good sign. Tan and the staff were very welcoming and friendly throughout the meal. The food was perfect and what really stuck out was the presentation, it was gourmet level and very reasonably priced. It was so nice in-fact, that I took the leftovers home and ate it the next day! I would highly recommend Paprika for an amazing dining experience and will definitely go again.
