MANAGER'S NOTES

Today's game marks the start of a run of home games after a series of very difficult away fixtures, where we have not taken any points, but due to injuries and player availability, we have been able to give several of our promising Development players a taste of First Team football and they have done very well. This is very much in keeping with our business plan of developing our own players for the future.

By way of example, our trip to AFC Bournemouth last week, with a 7-0 record in their previous two home games against Bridgwater and Bournemouth Sports and undefeated all season was rewarding in that our 3-0 defeat resulted from two penalties and a goal from a corner. The important fact being that Bournemouth were unable to score against us from open play and several 16 year olds got valuable experience of First team football.

Today, we welcome the other Bournemouth, Bournemouth Sports to the AJN Stadium and trust that they have had a safe journey from the South Coast. Newly promoted to the FA Women's National League as Southern League champions, they have had a tough season and sit one place and two points above the relegation slots. They climbed out of that relegation zone with a 1-0 win in the away game at Portishead last Sunday, where they also have a slight goal difference advantage.

Undoubtedly, they will be difficult and very competitive opposition today, because they are fighting for their survival in the League. The more so with Portishead having an away game away at bottom club, Southampton and we know how difficult that might be!

This has been a busy week for signing activity at the club. We welcome new players

Amelie C (Signed from Bitton), Emily Kemp (Signed from St Albans) and Tilly W and Tia M who have moved up from our successful U16 sides and along with Amelie will make their Keynsham debuts in today's Development game at Moneyfields. We welcome all these young players to the club and are certain they will have a bright future here.

We hope to complete another important signing before the transfer deadline on March 14th which will be a young pacey attacker with a good pedigree and goal scoring ability who will go into the First Team squad.

Today, is the last game that Ella S will play for the club as she is being recalled by her lead club, Bristol City Women. Ella has been a very consistent performer for us during her short stay and we thank her for her efforts in that time. I am sure she will have a bright future at her parent club. As one door closes another opens and that means our Development goalkeeper Chloe J will get a good run of First team games in the remainder of the season. We have also moved quickly to secure the signature of Emily Kemp as our Development Goalkeeper and thank St Albans for their help in facilitating this.

Today sees the start of the additional fixtures for the Development side in the Reserve Southern Championship competition that covers most weeks in March and April. Good luck to them in that quest.

Congratulations to our U16 girls team that won their Somerset County U16 Cup semi – final against Portishead last Saturday with a 3-1 scoreline. They will now play Bath City in the final match at Middlezoy Rovers ground.

A handwritten signature in black ink, appearing to read 'B. Newk', with a horizontal line underneath.

SECRETARY'S VIEWS

Today we welcome Bournemouth Sports to the AJN.

Today we will be holding one minute's silence before the game for Poppy Atkinson, the young aspiring football star, killed in a tragic accident whilst training at Kendal FC last week. Our hearts go out to her family at this sad time.

This week I've been busy dealing with illegal approaches and with signing four more players which you will read about elsewhere in the programme. The cut off date for registering new players this season is fast approaching on 14th March. After that date there can be no player transfers.

It's also been busy negotiating with two teams, who have fortunately been very helpful, to fit in two games on the 23rd March. Next Sunday we are in Somerset County Women's Cup action with a semi final against Yeovil Women to be played here at the AJN. Kick off is 2pm. The other semi final taking place at the same time is Bridgwater against Bishop's Lydeard.

We've finally heard that the monies for the grant that we successfully applied for last year will be arriving in the next couple of weeks. We will then be able, amongst other things, to upgrade our changing rooms to make them more female friendly. I dare say the lads won't object to shatterproof mirrors either!

Then I have to get back to completing Minimum Standards for this season before the 30th April and then resubmitting for next season as we have to be compliant ongoing. I just hope we don't get any more to deal with but who knows. It's no longer expect the unexpected but expect the extra.

AT THE AJN TODAY...

Bournemouth Sports WFC

Bournemouth Sports Ladies FC was formed in May 2013 to provide greater opportunities for women to become involved in grassroots football in a supportive and cooperative environment.

The ladies section has grown over the past 2 years and now supports 2 teams. The first team competing at Tier 5 in the Southern Region Women's Premier football league, for the first time this season after consecutive promotions through tier 5 and 6.

The reserve side, which was created in the 2019/20 season has since experienced much success, remaining unbeaten in Hampshire divisions 2 and 3 and now competing at Tier 7 in the Hampshire County Womens Football League division 1.

The ladies train at Chapel Gate on Wednesday evenings 7:00-9:00pm, and at Bournemouth University, Talbot Campus on Thursday evenings 7:45-9:00pm. Both teams compete in their respective leagues at 2:00pm on Sunday afternoons.

Players of all abilities aged 16+ are welcome to join the team and are invited to get in contact. The team have multiple contacts with other local clubs in the area if the level is not suitable. Aspirations for the club are to continue to climb the womens football pyramid and to continue to increase female participation in grassroots football.

MATCH REPORTS

THREE PENALTIES AID LEAGUE LEADERS

Keynsham travelled to the South coast to visit League Leaders Bournemouth, who were boasting a 41 game unbeaten League Record and over 1000 mins since they last conceded!

In glorious Winter Sun, Bournemouth understandably started on the front foot - Ella made a great save close in before Jade improvised to clear further. (0-0)

Bournemouth were seeing a lot of the ball in the early exchanges, but Keynsham were defending resolutely and looking to counterattack.

11 mins - Bournemouth took the lead.

When Keynsham struggled to clear a corner - a first shot is brilliantly blocked by Brooke S - a second is blocked again by a combination of Lucy and Meg - but the ball falls to a Bournemouth player to then stab home from close in. (AFCB 1-0 KTLFC)

Keynsham are still playing well and are looking to counter - Nellie and Jessie almost play in Immi & Scarlett.

A mix up in the Keynsham defence sees Ella forced into 2 superb saves - keeping the score at 1-0.

There are two brief stoppages in play as Ella and then a Bournemouth player need treatment - which sandwich an attack led by Jade and Ciera, who almost released Immi, but she had to check her run to avoid being offside and the ball runs thru to the keeper.

Bournemouth are still controlling the game, but are finding it difficult to break through the Keynsham defence.

Immi, Scar and Ciera lead a good Keynsham charge - but Bournemouth get numbers back to clear.

Right on half time - Ella is again called into action with a fantastic flying save to deny a good Bournemouth strike. HJ

HT: AFC BOURNEMOUTH 1 vs KEYNSHAM TOWN LADIES 0

3 subs for Bournemouth.

The second half starts - Almost a great opening for Keynsham - Ciera's driving run sees things open up for a moment, but the defender just manages to cut out her pass to Jessie.

Keynsham are definitely frustrating their hosts. Jades freekick sees Ciera flick on and Lily W challenges the keeper - who is perhaps fortunate to get a freekick.

Bournemouth have a bit of luck - Ciera challenges a defender and the ball falls to Brooke - but the referee doesn't like Ciera's 50-50 challenge! - it's been a good 10 minute spell for Keynsham.

Zoe HG for Lucy HJ

Ella brilliantly turns a dangerous cross wide and there is a brief scare as she collides with the post. She is ok tho.

Bournemouth sub. They now have 4 strikers on the field.

Jade, Ciera and Immi lead another counter, but Bournemouth sheppard the final pass out.

Bournemouth BOOKING for a foul on Immi.

MATCH REPORTS

Before the Referee decides to level up the YELLOW CARDS as Megan B is shown a card when a player who is already falling makes a theatrical play.

A very contentious decision follows soon after -

PENALTY Bournemouth - Jade wins the ball - the Player falls over - the crowd shout penalty - the referee gives the penalty. Sadly a Poor decision. If anything the player kicked Jade!

2-0. Bournemouth really don't need that kind of help and the penalty is thumped home.

69 mins - Jenna for Scar.

Ella does well to hold onto a deflected strike.

Keynsham then have a moment of sustained pressure - and a corner is forced. Bournemouth clear.

Another very soft PENALTY to Bournemouth. As Brooke S loses her legs under applied leaning pressure from the Bournemouth player and falls on the ball handling it in the process - Penalty given.

The Bournemouth striker sends her penalty the same way - but this time she's put too much on it and it smashes the top of the bar. MISSED. Keynsham clear. Still (2-0)

79 - Lily R & Angel W for Brooke and Jessie, Keynsham have been trying for about 5 mins to make the changes - but the ball hasn't gone out in a favourable position on the pitch.

BOURNEMOUTH HAVE ANOTHER PENALTY.

Their 3rd of the game. This one is a definite stonewall. As Megan trips a Bournemouth player.

The same Bournemouth player steps up - Ella gets a hand to it - but the Power is too much (3-0)

85 - Lily R YELLOW CARD for a pull back.

Ciera great hold up play almost releases Immi.

KEYNSHAM go close!

Ciera and Immi cause havoc - Angel's strike is blocked wide to Jenna who fires into the side netting! - the bench thought it was in!!

Keynsham finish on the front foot, but the full time whistle goes and Bournemouth take the 3 points, despite a very spirited and resolute performance by Keynsham.

Review on Paprika from player Justine Lorton:

After being introduced to Tan (the manager) I promised him we'd go to Paprika for our quarterly curry club meet up (with 4 ex-KTLFC players).

It was really busy when we arrived, which is always a good sign. Tan and the staff were very welcoming and friendly throughout the meal. The food was perfect and what really stuck out was the presentation, it was gourmet level and very reasonably priced. It was so nice in-fact, that I took the leftovers home and ate it the next day! I would highly recommend Paprika for an amazing dining experience and will definitely go again.
