MANAGER'S NOTES

Today, we have a heavy series of matches. The prime reason for this is the silly decision by the FA Women's League to give us two FAWNL matches at the same time on the same date and the same pitch. The fixture people at the FAWNL just don't get how disruptive and difficult this makes life for a club on top of the ridiculous minimum standards requirements that result in huge wasteful time and resources being wasted by clubs.

So many thanks for the two away clubs, Portsmouth Development and Portishead First Team for their cooperation in sorting out this difficult clash of fixtures. In addition our Sunday morning tenant, Bristol Jaguars have kindly agreed to kick off 15 minutes earlier than normal at 9.45am.

It is strange that our Men's team which plays in the Western League and the Men's Reserves that are in the Somerset County League, never have any overlap of fixtures at home and yet our Ladies Senior sides frequently suffer from this double booking problem.

So, it will need continual cooperation from all the teams and officials involved this afternoon if disruption can be minimised.

We do not have details of the Development game at 12 noon, that you may have already watched, but the following game starting at 3.15pm should be covered in this programme.

Our First team has done fairly well of late and we approach the end of the first half of the season with 22 points from 11 games. This is above the situation a year ago and despite the injuries sustained in the period, which seems to be a continuing problem each season.

I see that our referee today has come all the way from Walsall. This continues the trend for the league to send referees from 200 miles or more to our matches. We understand that this is a function of the desire to prepare referees for serving in the Women's Super League and the numbers available means that we are the guinea pigs for this that results in referees travelling major distances. It must make peak performance hard for a referee to achieve after such a lengthy journey. That is not to mention the need to stay overnight after some long trips. Surely, there must be acceptable local referees? The outcome is that our average referee costs have gone from £100 per home game to this season's level in excess of £200. Meanwhile any limited support from the FAWNL has been reduced.

This is our final game before Christmas and the New Year, so lets hope that we can end 2024 with a positive pair of results and may I wish everyone a very happy Christmas and a prosperous New Year.

SECRETARY'S VIEWS

Today we have two games thanks to the League again giving us two games at the same time. Fortunately our opponents have been very helpful so we welcome Portsmouth Development to play our Development team at 12 noon and Portishead Ladies to play our First team at 3:15pm.

Last weekend not only did we have a power cut which meant no electricity or WiFi from early morning until late at night, but the day before I was suddenly unable to enter the Club Portal via Whole Game System. It would only let me in to a team that no longer exists. This meant I could not access player registrations or check qualifications of team officials amongst other things. Whole Game is being phased out completely next season, as the FA have finally realised it cannot cope, and clubs will access details by going straight to their portal which they've started now - if you can get in that is! So after several failed attempts I had to take it up with the Somerset FA and the FA IT team. This took a few days but was finally resolved and I'm back in!!

On top of that my iPad died which had finger print recognition on it so that I could get into all FA systems without inputting my email address and password. Fortunately I have the password written down for such contingencies - it just takes longer.

Today we actually have two local assistant referees, but the main referee is from Walsall where our own coach not only hails from but played for Walsall Ladies and Aston Villa Ladies.

STOP PRESS - Our U16 Girls beat Bishop's Lydeard U15 Girls 18-0 at Bishops'Lydeard in the Somerset FA U16 cup on Saturday 14th December. Congratulations Hayley, Paul and Girls. We now progress to the next round.

This is our last game this year. Next year neither of our teams are home until the 26th January when our Development play Cheltenham Development. The next First team home game is on 2nd February against AFC Bournemouth. That is almost a month with no homes and yet we've had all these double bookings. Crazy!

Have a good Christmas and a Happy New Year.

PAM NEWTON

AT THE AJN TODAY...

Portishead Town L.F.C.

Portishead Town FC was inaugurated early in the 1900's by Molly Jukes, the daughter of a local rector, who had moved to Portishead in 1903. Always keen on sport, Molly formed a cricket side in 1910 and two years later a football team she called St. Peter's Portishead.

Initially there were two teams, a first XI and a Reserves and a year later a junior side was formed. In 1915 Molly married the Rev. H.S. Briggs but her interest and devotion to 'the lads' didn't waver and despite the intervention of two World Wars she battled on as Chairman, Treasurer and Manager, as well as playing in goal as often as she could.

In the early 1950's Molly stepped down and Portishead AFC, as the club were now known - following a name change in 1948 - was left in the hands of Len Pickering and Eddie Clapson.

Having previously had a Ladies team, Portishead Town resurrected the Ladies section in 2011. The team was to be led by Chip Wright and were elected to join Somerset County Women's League. After initially struggling, the 2015/2016 season saw the team achieving a league and cup double, beating Staplegrave in the final 2-0.

The 2016/17 season followed on from the previous year with a league and cup double once again, this time beating Pen Mill 4-3 in a thrilling final. This led to promotion to South West Regional Women's Football League (Eastern Division) for the 2017/18 season.

A second promotion in a row was achieved the following season with Portishead then competing in the South West Women's Football League (Premier Division). Three seasons followed in the Premier League, with two seasons interrupted by COVID and neither fully completed.

Two successful FA Cup runs, including reaching the 1st round proper in 2019/20, finally losing to Southampton Women, helped with the promotion to the FA National Women's League South West, the fourth tier of the Ladies pyramid, for the 2021/22 season, where they finished 8th.

This was bettered in 2022/23 when they finished in 7th position, but the highlight of the season was the club's FA Cup run. For the first time in their history they reached the 3rd round proper, eventually succumbing to Ipswich Town.

The Ladies' Reserves team compete in the Somerset County Women's League Division One. For the 2023/24 season a third team, the Ladies Thirds, was formed and compete in Somerset County Women's League Division Two North

This season, the team were forced to play their opening home league matches at a temporary home at Hallen whilst their ground and facilities were renovated at Bristol Road, including the laying of a new 3G playing surface which is set to be a huge asset for the club and all of its teams. The new pitch was opened in November 2024.

INTERESTING FACT..

Pre-Champions League, Scotland were the only country to produce two cities with two clubs that reached the European Cup semi finals.

In 2016, Manchester City reached the Champions League semi finals, nearly 50 years after United first did it in 1968; Chelsea first made the final four in 2004 at the expense of cross-town rivals Arsenal, who got there in 2006.

But Scotland boasted a record like this long before. Rangers reached the final four of the 1960 European Cup, while bitter enemies Celtic won the competition in 1967. Dundee were beaten semi finalists in 1963, while Dundee United completed a set of sorts in 1984, when they got to the semis.

MATCH REPORTS

Keynsham's star performance stuns Swindon supporters

Well folks, despite the weather warnings earlier on in the week we have been given the okay to play at the Swindon Foundation Park. The wind is piercing and my fingers are frozen but spirits are high as the girls are determined to get the job done!

And we're off! Both teams start frantically, probably in an attempt to warm up. Bea and Nellie take good control of the midfield, but Swindon get the first chance. Lily W holds off a player wide and ensures her shot rolls straight to Klaudia. Not long after Swindon win themselves a corner. Jade challenges but her rebound hits a Swindon player, luckily falling into Klaudia's hands.

Lorna's clear helps to push the girls up. The ball finds Vicky, helped on by a flick from Ciera. She runs through but her shot falls just wide.

7mins: Immy wins the ball from the defence but the rebound has too much power and goes to the goalkeeper. The keeper tries to go around Immy instead of just pick it up?! Immy wins it back and finds Ni, who SMASHES the ball into the open net. 1-0 KEYNSHAM!!

Swindon hit back with a flight, winning themselves two quick corners. A good punch from Klaudia and a header from Jade keeps Swindon at bay.

17mins: Ni unable to continue with existing injury. Scarlett replaced and pushes Vicky up top. Keynsham are doing well but the wind is causing havoc. Immy goes for another good run and finds Scarlett in the middle, but the ball just spins out of her control. Meanwhile at the back, Lorna and Jade are keeping a solid line, forcing Swindon to go long, which inevitably goes straight to Klaudia thanks to the wind.

Swindon gets a foul in a dangerous area- soft foul from Jade. Luckily for Keynsham the free kick is hit straight into the wall. After some scrambling Swindon win a corner. Swindon's corners look dangerous but Keynsham do well to defend. Swindon take a shot from the rebound and Klaudia gets across to parry- then quickly dives on the aftermath. Solid goalkeeping from our number 1!

Another dangerously placed free kick for Swindon, but Lily W leaps into the air to head it away. Keynsham counter - good run from Scarlett, who finds Vick in the middle. But the wind strikes again, as the ball gets away from her and is cleared by the defence.

Swindon come again out wide. Klaudia comes to challenge but Swindon are there first and tip it over her. Klaudias done enough however to delay as the defence are back to clear and win Keynsham a goal kick.

35mins- Great ball from Bea to Immy on the wing. She runs through and smashes the ball in top corner- keeper didn't even move. Was it a shot or a cross? Who knows but it was a class goal!! 2-0 Keynsham!!!

43mins: penalty from Swindon after a mistimed challenge from Emma earns her a yellow. Swindon slides it away. 2-1. Keynsham respond well. Lily W runs clean through and forces a good save from the Swindon goalkeeper.

HT KEYNSHAM 2 SWINDON 1

Swindon start with some aggression, determined to get another goal. Emma's throw in causes Swindon some issues, causing a clumsy challenge. Vicky gets smashed into on the back and falls down. No treatment required luckily and Keynsham win a free kick on the edge. Jade takes but Swindon clear.

Ref is giving everything at the moment and players are getting frustrated. The game is very jolty. Immy plays Vicky through but it's just behind her. By the time the ball is controlled the defender's back to block.

63mins: Jade mistimes a tackle into the back of a Swindon player, and Keynsham get their second yellow.

GREAT TACKLE FROM LORNA. One-on-one with Klaudia goes in Swindon's favour but Lorna STORMS back with a sliding challenge to block the shot.

74mins Swindon yellow card. Keynsham win another dangerous free kick after Vicky gets taken down by THREE defenders. Ciera takes the free kick but it's blocked by the wall. Emma gets on the rebound and finds Bea out wide but linesman calls for offside - questionable.

The free kicks keep coming. It's Swindon's turn now. Keynsham's wall makes a great block. Swindon look for the rebound but Klaudia claims.

MATCH REPORTS

Bea plays through Vicky who looks to find Scarlett, but linesman calls for offside. Swindon play it quickly and get a good cross into the box. Klaudia jumps to claim and gets cluttered into. A Keynsham free kick keeps us ahead.

Bea gets taken down in the box! Despite shouts from Keynsham, the whistle heavy ref gives Swindon a goal kick. Determined Keynsham come again. Ciera driving through the midfield and past all FOUR defenders. Her shot is good but just flies over the bar.

In the last few minutes Swindon are getting desperate but a great block from Lily W keeps Keynsham ahead. Lorna unlucky handball gives Swindon some hope. But a solid save from Klaudia denies!

REF DENIES VIPOND. Vicky wins the ball off the Swindon goalkeeper and blasts the ball into the open net. Keeper dives to the ground in a desperate attempt AND THE REF BLOWS FOR A FOUL!

Good game management from Immy as she brings the ball to the corner. Swindon try to win it back but Ciera chips in and wins Keynsham a corner.

And despite the ref's best efforts... the final whistle is blown and Keynsham take all 3 points!

FT: KEYNSHAM 2 SWINDON 1

Determined Keynsham get the job done!

KTLFC welcome Abingdon Womens to the AJN Stadium after a waterlogged pitch postponed the game by a week. With some good weather, both teams seem up for today's game.

Klaudia works with the defence well to maintain play at the back. Both teams look to create chances but the keepers remain to be tested. Abingdon get the first chance of the game with a cross blasted into the box. Abingdon striker looks to get something on the half volley but the ball falls wide.

Keynsham wake up after that and look to attack. Ni finds Scarlett in the box but she's pushed wide by a defender. She does well to win a corner but nothing comes from it. Keynsham regain some control of the game. Lorna finds Scarlett down the line but Abingdon defence are quick to react. Keynsham try again with Vicky making a good run through the defence but her shot falls wide.

Ni sends Vicky through again with a clever ball through the defence. She drives to the bye-line but a diving slide from Abingdon denies a Keynsham shot. Abingdon attempt to get out their own half but a strong tackle from Emma wins Keynsham a throw in. Ciera gets another good chance from an Emma cross, but she heads wide.

Neither team are able to create chances for while but Keynsham keep at it. Ni looks to feed Vicky through but Abingdon's defence stand strong. Ciera gets the rebound but smashes the ball into the car park. Bea and Ni win the ball in defence and find Vicky on the wing. She looks to get a cross in but an interception but the opponents causes the ball to fall into the keeper's arms.

Another Vicky cross finds Bea in the box. But a spinning ball means she can't get a shot away and Abingdon clear. Bea redeems herself with a great ball into Scarlett, who drops a shoulder to get away from the defence. Unfortunately her shot floats over the bar. This is promising play from Keynsham.

Free header from Abingdon cross, comfortably saved by Klaudia. Keynsham counter with Ciera getting a fierce cross low into Vick who just couldn't get to it in time. Emma wins an awkward header, with Ciera picking up the ball after. She drives through midfield and finds Vicky on the wing, who is blown offside.

Good play from Keynsham. Jade and Ni link up well and get a brilliant ball through to Vicky. The linesman isn't letting anything passed him as he flags for another offside. Abingdon get a burst of energy as they clutter the bar from the left side of the goal. Lily W and Lorna get back to put pressure on the rebound, which is blasted over. Abingdon come again but their shots lack power and fail to test Klaudia.

Nellie wins the ball brilliantly in midfield and finds Bea on the wing. A floating cross into the box wins another corner for Keynsham. Ni sends a flying ball across the goal but Jade's header goes over.

HT KEYNSHAM 0 ABINGDON 0

KEYNSHAM TOWN LADIES 10

Second half starts and Keynsham need to up their game if they want to walk away with all 3 points. Straight off the bat, Ni wins a free kick on the edge of the box. She takes it and smashes the corner of the bar, leading to a goal kick. Play is delayed while Bea gets treatment for a mistimed tackle. Vicky shows good sportsmanship and the ball is passed back to their keeper.

Abingdon look to attack but Klaudia is quick off her line to win the ball off the attack. Keynsham come again as Ni finds Vicky on the wing. She's pushed too wide and her cross falls wide of the post. Ciera wins the ball well from the goal kick but Abingdon forces a throw in. Ciera wins the ball AGAIN and drives into the box. She looks to play Scarlett through but a mismatch of communication causes Abingdon to win a goal kick.

Lily W is tenacious and holds the Abingdon attacker at bay. She forces her wide and wins Keynsham a goal kick.

57: KEYNSHAM GET THE FIRST GOAL! Lily W sends the ball wide to Vicky, who sends a perfectly placed ball into Ni. She flicks it up for the half volley and smashes it over the keeper.
1-0 KEYNSHAM!!!

Keynsham find a bit of momentum. Vicky wins a foul in a dangerous area for Jade to take. She sends a good ball in but Abingdon's keeper bravely dives to claim.

Abingdon get a similarly placed free kick and sends the ball in dangerously. Klaudia shouts to claim but clatters into Jade. Klaudia wins the aftermath but Jade remains down.

Callum is called into action to provide treatment. Jade is fit to continue. Abingdon win a string of soft fouls, with the last one resulting in a Keynsham goal kick.

Abingdon handball wins Keynsham a free kick on the corner of the pitch. Abingdon counter with Jade out of position. Lorna protects the scoreline with a crunching tackle.

67: Hannah replaces Scarlett on the wing.

Bea and another player clatter into each other with both needing treatment. Despite Abingdon shouts, the ref gives the free kick in favour of Keynsham, and the Abingdon midfielder earns herself a yellow! Play resumes and Abingdon respond quicker, getting a dangerous ball across goal. Keynsham get lucky as Abingdon fail to get to the cross.

73: Immy replaces Ni, pushing Vicky up top. Jade gets the captain's armband.

Abingdon win their second yellow for a clumsy challenge on Immy. Jade then bags herself a yellow for a mistimed tackle. Bit harsh but Abingdon were shouting... She makes up for it by winning the ball from the free kick.

Immy and Bea show good strength to keep the ball in midfield. Bea sends Ciera through who does well to beat the defender. Her shot however drags and falls to the keeper's hands.

Keynsham look to be chasing the game, despite being 1-0 up.

Vicky takes a Keynsham corner and finds Immy. Immy's looping header causes Abingdon some issues and their keeper scrambles it away from goal.

Keynsham clear an Abingdon corner, but the opposition gain some energy. Keynsham frantically clear but Abingdon keep at it. Eventually Klaudia bravely claims a cross and slows the game down.

It's Keynsham's turn to grasp a bit of energy with Ciera winning the ball up top. Hannah runs through but lacks options in the box. Nellie and Lorna do well defensively to keep the ball up the pitch.

Abingdon get a string of corners but Keynsham hold strong. Lorna makes a brilliant block to get the ball up, where Vicky and Hannah keep it for the remainder of the game.

Eventually the ref blows the whistle and everyone can breathe!!

Review on Paprika from player Justine Lorton:

After being introduced to Tan (the manager) I promised him we'd go to Paprika for our quarterly curry club meet up (with 4 ex-KTLFC players).

It was really busy when we arrived, which is always a good sign. Tan and the staff were very welcoming and friendly throughout the meal. The food was perfect and what really stuck out was the presentation, it was gourmet level and very reasonably priced. It was so nice in-fact, that I took the leftovers home and ate it the next day! I would highly recommend Paprika for an amazing dining experience and will definitely go again.

MIKE'S COMICS **The best in the West for comic book zest.**

Mike's Comics began life as a travelling stall but has grown into a bespoke comic shopping experience. Wielding more than six years of experience in the industry, we offer a variety of new and vintage comics and graphic novels alongside informed advice and recommendations.

With Bristol being Britain's vibrant epicentre for art, culture and expression, Mike's Comics puts special emphasis on working with local, grass roots creators to help showcase the next generation of talent. Alongside offering a gallery space for people's original art, we give creators the opportunity to sell their zines, prints and stickers, as well as venue to launch their books or meet their fans!

It's a huge honour to be selling at St. Nicholas Market alongside such prestigious Bristolian institutions. They are the gold standard.
